

# 34<sup>th</sup> SCIENTIFIC CONFERENCE OF MICROSCOPY SOCIETY MALAYSIA

**MICROSCOPY FOR SUSTAINABLE INNOVATION:  
EXPLORING STRUCTURES, ADVANCING SOLUTIONS**

**15 DEC 2026** | ZENITH HOTEL,  
PUTRAJAYA,  
MALAYSIA

The 34<sup>th</sup> Scientific Conference of the Microscopy Society of Malaysia (SCMSM 2026) is the flagship annual conference of the Microscopy Society of Malaysia (MSM), bringing together researchers, academicians, scientists, students, technical professionals, and industry partners to share the latest advances in microscopy, imaging, and analytical sciences.

Recognized as a premier platform for scientific exchange, SCMSM fosters interdisciplinary collaboration across the life sciences, physical sciences, materials science, engineering, and emerging imaging technologies. The conference provides an excellent opportunity to present research findings, exchange ideas, build professional networks, and explore innovative microscopy techniques and applications. SCMSM 2026 features keynote, industrial talk, oral and poster presentations, microscopy competition, industry exhibitions showcasing cutting-edge instruments and technologies.

By connecting academia, research institutions, and industry, the conference promotes knowledge sharing, innovation, and collaboration while inspiring the next generation of microscopy researchers. Join us as we advance scientific discovery and shape the future of microscopy and imaging sciences.

## IMPORTANT DATES

**30 AUG 2026**

Abstract Submission  
Deadline

**30 AUG 2026**

Early Bird Registration  
Deadline

**30 OCT 2026**

Notification of  
Acceptance

**30 NOV 2026**

Regular Registration  
Deadline

**15 DEC 2026**

Conference  
Date

## WHY ATTEND SCMSM 2026

International keynote  
speakers from academia  
and industry

Present your  
research to regional and  
international experts

Network with  
researchers, students and  
industry professionals

Conference kit,  
certificate and meals  
included

Explore the  
Modern city of Putrajaya

## CONFERENCE FEE

| CATEGORY OF PARTICIPANT        | LOCAL      |         | INTERNATIONAL |         |
|--------------------------------|------------|---------|---------------|---------|
|                                | Early Bird | Regular | Early Bird    | Regular |
| Academician/Researcher         | RM 850     | RM 950  | USD 300       | USD 350 |
| Members (MSM)                  | RM 850     | RM 900  | -             | -       |
| Student                        | -          | RM 800  | -             | USD 300 |
| Audience                       | -          | RM 500  | USD 150       | USD 200 |
| Group participant (min 10 pax) | -          | RM 800  | -             | USD 300 |

## RESEARCH AREA

### ✓ PHYSICAL SCIENCE

Polymer, Ceramic, Electronic Material, Catalysis, Energy, Nanoscience, Metal, Engineering, Composites, Biomaterial.

### ✓ LIFE SCIENCE

Microbiology, Pharmaceutical, Biotechnology, Bioengineering, Medical, Dental, Health Science, Agriculture, Botany

## AWARD

Awards for the BEST POSTER, ORAL PRESENTATION and MICROGRAPH COMPETITION.

Travel Grant for the BEST ABSTRACT sponsored by MSM (student only).

## PUBLICATION

Selected papers that fulfil the Malaysian Journal of Microscopy (MJM) requirements will be published in MJM (Scopus Indexed).

Others will be published in conference proceeding.

## More information

Dr. Nik Norhazrina **012-954 9158**

Dr. Yazid Yaakob **011-2137 7696**

Assoc. Prof. Dr. Che Nor Aiza **019-5771 969**
